Greetings to you all

Many will be wondering where the year has gone!! And we do too. We are fast nearing the end of a very busy year. As some of you know the funding received from USAID was “A specific” in that our criteria for being granted the money was to provide awareness, training and lifeskills programs. This would better equip the community about the prevention of HIV/Aids. The importance of preserving their lives is to be able to care for their children without the bleak prospect of orphanhood. We wish to continue providing this awareness and campaigning in and around the Nelspruit area. It has a very positive impact on the lives of families with children who are at risk.

We have our AGM coming up on 5 November 2014. If you would like to join us for a short meeting followed by light refreshments please contact Penny Jane at our offices 013 753 3330. In this way you can get to know our organization and what we are about.

Thereafter we will be focusing on World Aids Day coming up on 1 December which flows into 16 days of Activism against abuse on Women and Children.

We also have our 18th Xmas Dream Tree Project running again this year. Please see page three for details.

We wish to take this opportunity of thanking all of you out there who have supported us through the year and enabled us to provide our services to children and their families. All wonderful wishes to all our readers and your families for the season of giving coming up.

APPEALS

Calling all readers, friends and family

We are hoping to be granted the opportunity once again of providing a wrapping service outside the exit door of Makro. It is of course a fundraiser to earn much needed money. We hope to wrap 7 days a week as from 10 December through to 24th. Up until the 10th we would wrap Friday to Sundays. Please use our services for a very worth cause, and if you wish to volunteer to **do** some wrapping for a good cause please contact us. **WE ARE WAITING FOR YOUR CALL AND WE HOPE TO HAVE A FAVOURABLE RESPONSE FROM MAKRO.**

Please consider supporting our endeavours to continue with awareness campaigns/lifeskills/training so that the outcome of what we started just over a year ago can continue to gain momentum and bear bigger fruit. Our vision is to provide this ongoing awareness/lifeskills/training during the school holidays at schools in and around Nelspruit area. We are appealing to the business sector to consider supporting this project work by:

- Adopting a days event, or part thereof, in the way of food and refreshments. No donation is ever too small..
- Awareness items such as rulers or a pen or even a cap with a slogan relevant to the campaign and with your logo on it “proudly sponsored by.....” will be beneficial to all concerned.

Our contact details are available on our webpage or on the last page of newsletter.
